

## *"Writing Strategy Papers for H2020 WP and the next EU framework program"*

**NB!NB!NB! NEW DATES:** the workshop will be held on **8th and 9th September**

(Instead of the 7th-8th as announced earlier - *Apologies for this inconvenience!*)

The venue will be announced.

**INSTRUCTOR:** The workshop will be lead by [Kristof Vlaeminck, UiB's expert in Brussels](#), in cooperation with the Division of Research Management (FA).

**GOAL:** The goal of the event is 3-fold by which participants will:

- (i) learn how to put their ideas – in the short, mid and long term - in a convincing way to both their peers and the European Commission
- (ii) get an insight on how the full process from bright idea to giving input to the European Commission works
- (iii) learn how the personell at the Brussel office and the division of research management at UiB can help you achieving your goals

**PROGRAM:** Please see attached the program. During the morning of day 1 participants will be give some theoretical background. The rest of the workshop is dedicated on writing a strategic paper yourself.

Even if the writing part is mainly an individual process, we are there to help and discuss with you when you wonder which is the best direction to go. **Please bring your own laptop.**

**PREPARATORY DOCUMENT:** To facilitate the writing process, participants are asked the complete the 'Preparatory document' (also attached here) in which you point out the short-, mid- and long-term ideas for your research field (in general) and your own research (specific). This document will be the starting point for your strategic paper.
